Special Offering—November—World Renew

Our special offering in November is for World Renew. World Renew embraces a family centered approach to ending global poverty with food security, peace and justice, economic livelihood and health.

They join families in more than 30 developing countries to change global hunger, poverty and illness. They work in 30 countries responding to both natural disasters and civil unrest. With partner organizations, they provide for displaced families and invest in local economies to help rebuild communities and renew hope, bringing long-term stability for future storms.

Livestreaming

Do you enjoy worshiping with us from home? Do you enjoy being able to rewatch our live streams after they are recorded? We are looking for 1-2 more people who would be interested in running the live stream once a month. If interested, please reach out to Pastor Pete or Nathan Swoverland to get trained up on the process. It's super easy to turn on and go live!
